A romantic photograph of a bride and groom walking away from the camera on a gravel path. The bride is on the left, wearing a white lace wedding dress and holding a bouquet of white flowers. The groom is on the right, wearing a dark suit. They are holding hands. In the background, a large tree stands against a bright sunset sky. The scene is bathed in warm, golden light. The text "What We Offer" is overlaid in a white script font across the middle of the image.

What We Offer

Uniquely Crafted Spaces

The Streamside Ceremony

Exchange your vows beside our gently rolling stream, framed by a timeless wooden arbor and a lush treeline. It offers a naturally quiet and peaceful Pennsylvania backdrop that keeps guests fully immersed in your love story.

Bridal & Groomsman Suites

Designed as private sanctuaries for the wedding party, our suites offer a luxurious, stress-free space to prepare for the main event. Complete with elegant seating, plenty of natural light for photos, and private amenities, these rooms are the perfect backdrop for those final, quiet moments before walking down the aisle

The Barn

Host your reception inside our historic, beautifully renovated barn. Soaring timber ceilings, soft white draperies cascading from original rafters, and warm rich wood grain establish an atmosphere that is both cozy and stunning.

Accommodates up to 150 guests from May to October.

Wagon Shed Cocktail Hour

You & your guests can enjoy drinks and hors d'oeuvres at The Wagon Shed immediately following the ceremony. This unique, historic structure offers a relaxed, open-air setting to kick back, catch up, and celebrate under the rafters before we head inside for the reception.
